## ***Branding WHS School Busses***

***Dear Grade 8's of WHS***

*Now that you all feel very welcome in WHS, with **blue blood** pumping through your veins and you have become celebrities through the WHS 'Newcomers Concert of 2023 – it is time for your **Welcome to the WHS Special Project**.*

At Windhoek High School we are committed to create and sustain a learning environment that optimize opportunities for personal, academic, sport and cultural development for every learner, instilling a sense of self-worth and personal purpose, armoured with the guiding, Godly values they need to reach their full potential.

In order to continue to uphold the standard of our school environment, we need your help. The WHS brand is vitally important to us. The WHS branded school busses is the first thing most people see about WHS in the public daily. 2 Busses were rebranded last year, but we still have 3 more that must get urgent attention. We believe this creates an exciting opportunity for you as parents and learners to help us to improve our school and have some creative fun while doing it.

**Aim:** The LRC together with the 2023 Grade 8's is launching a fundraising project to replace the branding of 3 school busses.

After careful assessment the costs are as follows:

Rebranding of 2 x Mercedes Busses

Rebranding of 1 x Iveco Bus

**TOTAL COST: N\$ 40,000.00**

- Donation options:*
1. Well, you are welcome to sponsor the whole N\$ 40,000.00.
  2. If we divide the N\$ 40,000.00 through the 320 grade 8 learners, It's only N\$125.00 per learner.
  3. Sponsor any amount of your choice towards the project.

The catch is that we need ALL of you to contribute something – then we will reach the N\$ 40,000.00 goal in no time!

***Little, by little, a Little becomes a Lot!***

- Donation Options:**
1. *Bring a clearly marked envelope to your class teacher with a cash donation*

Giving is not just about donating; it's about **making a difference by participating!**

*The 2022 Grade 8's generated enough funds for the repairs on our school classroom door last year. This was hard work, but a huge success through the contributions of each grade 8.*
